

## **GROUP AUDIT MANAGER**

We are seeking to recruit for the company a Group Audit Manager who will oversee all aspects of our organisation's auditing functions. The Group Audit Manager will supervise our Stock Taking and Internal Audit teams in performing Stock takes and conduct independent assessments of retail operations throughout the various Tininga Business Units. The Group Audit Manager in consultation with senior managers will identify areas of risk, increase compliance/controls, improve/simplify processes, and drive operational excellence. Having vast experience in Retail Inventory management Systems like the Pronto Xi System or similar will be an advantage.

### **KEY EXPERTISE:**

- A Bachelor Degree in Accounting/Finance with more than 5 years' experience working as an Audit Manager.
- Experience working with the PRONTO system or similar ERP.
- Demonstrate solid planning and organizational skills.
- Has good understanding of auditing process, systems and its requirements.
- Good people management skills with an ability to direct and work with a team.
- Has good written and communication skills with attention to detail.
- Ability to work well under pressure and meet deadlines.
- Capable of problem solving and implementing solutions to drive a culture of continued improvement.

This is a Senior Management position within our group and a suitable remuneration package will be offered to the successful applicant.

If you wish to apply for any of the above position send your application including a covering letter, CV and relevant supporting documents to:
