# WE'RE HIRING

We are seeking to recruit an experienced Restaurant Manager to oversee the overall operation of a newly established Kofi Kai Restaurant within Tininga Hagen Central Shopping Centre in Mt. Hagen. This is key management position that requires effective management, organization and supervision of daily production of food products and services to maximise Company's profitability.

The preferred candidate must have the passion to maintain high standard of food quality, ensuring efficient restaurant operation, and maintaining a consistent quality customer service and standards.

Ideal requirements would be:

- Relevant qualification preferably diploma or higher from a recognised tertiary institution.
- Effective managerial experience in managing a restaurant
- Proven track record in restaurant planning and management to boost sales and profit.
- Ability to deliver a high-quality menu and motivate staff to provide excellent customer service.
- Experience in setting work schedules, oversee food preparations and compliance with health and safety regulations.
- Excellent interpersonal and communication skills.
- Ability to work long hours including weekends.

This is a Senior Management position and suitable remuneration package will be negotiated with the successful applicants.
