

CHIEF FINANCIAL OFFICER

Tininga Limited is a major, diverse and growing business in Mount Hagen operating supermarkets, builder's hardware stores, a meat processing plant, fresh produce operation along with significant property and other investments. With continued expansion planned, this position will be extremely influential in the company's future, its capital expenditure, business acquisitions and strategic growth plans.

Reporting to the Managing Director, this role is responsible for all aspects of the business's financial analysis, reporting and statutory compliance. The CFO is expected to ensure that the company's assets and financial integrity are protected through the establishment of effective controls, systems and procedures.

Key Responsibilities;

- Delivering regular financial reports for compliance, governance and operational purposes.
- Preparation of company annual budgets and supporting analytics.
- Developing financial strategy, including risk minimization plans and opportunity forecasting.
- Improving efficiencies and reducing costs and liabilities across the business.
- Ensuring compliance with statutory law and financial regulations.
- Manage processes and relationship with external service providers such as IT providers, external accountants, tax advisors and insurers.
- Work closely with the management team providing timely and accurate management reports.
- Responsibility for cash flow projections and management.
- Provide sound leadership and supervision to the Finance, MIS and Payroll team.

The ideal Candidate;

- Must be CA/CPA and be a member of CPA-PNG or qualified to be one
- Strong senior management experience in a financial role in an ERP environment (Pronto Xi experience preferred).
- Ideally, experience working with a multi-site business incorporating warehousing and distribution.
- Demonstrated experience using ERP with advanced excel and reporting skills. Experience in Cognos reports would be an advantage
- Previous success in managing an efficient and productive finance team.
- Strong written, verbal and interpersonal communication skills with the ability to effectively engage with a diverse range of stakeholders.
- An innovative mindset committed to creating efficient and transparent financial processes.
