

URGENTLY REQUIRE A FITTER MECHANIC

We are seeking to recruit an experienced & reliable Fitter Mechanic. The incumbent will need to demonstrate the ability to develop maintenance plans and carry out all maintenance of butchery machineries. The incumbent should demonstrate honesty, resourcefulness and attention to detail with very good work ethics.

KEY EXPERTISE:

- 3-5 years work experience in a manufacturing and or similar environment.
- Experience and ability to carry out maintenance of butchery machineries.
- Ability to execute planned maintenance tasks (inspection, lubrication & tightening) on butchery machinery and equipment as per planned maintenance schedule.
- Ability to develop and implement a suitable maintenance schedule for all butchery machineries, perform system maintenance accordingly and keep a maintenance log of all equipment.
- Execute frequent inspections to assess machine conditions and identify deviations from basic operating conditions.
- Ability to provide regular Maintenance Reports and escalate issues when required.
- Very good planning and organisational skills including attention to detail.
- Adhere to all work-site safety rules and regulations.

If you wish to apply for this position, please send your application including a covering letter, updated CV, a passport size photo and relevant supporting documents addressed to:
