Job Title: Maintenance Manager

Company: Tininga Ltd

Location: Mt Hagen, Papua New Guinea

Job Type: Full-time

About Tininga Ltd:

Tininga Ltd is a leading Trading company in Mt Hagen , Operates Supermarkets and Hardware stores , Restaurants, Fresh Produce Distribution, Freezer distribution and a manufacturing arm with a Smallgoods processing facility and a Central Bakery, all committed to delivering high-quality products and services to our customers. We take pride in our commitment to striving to achieve operational excellence, innovation, and sustainability. As we continue to grow, we are seeking a skilled Maintenance Manager to lead our team in Mt Hagen.

Position Overview:

We are currently looking for a dedicated and experienced Maintenance Manager to oversee the maintenance across all our operations . The ideal candidate will possess strong refrigeration skills, some electrical knowledge, excellent administration skills, and the ability to work collaboratively with a team. This position requires a proactive individual who can operate efficiently in a fast-paced environment and is willing to work extended hours when necessary.

Responsibilities:

1. Refrigeration Expertise:

- Demonstrate strong skills in refrigeration maintenance, troubleshooting, and repair.
- Ensure proper functioning of refrigeration systems to meet safety and operational standards.
- Conduct regular inspections and implement preventive maintenance programs.

2. Electrical Knowledge:

- Possess a basic understanding of electrical systems relevant to the facility's equipment.
- Collaborate with the electrical team to address issues and perform necessary repairs.

3. Administration:

- Maintain accurate records of equipment maintenance, repairs, and inspections.
- Create and manage maintenance schedules to optimize equipment performance.
- Coordinate with procurement for the timely acquisition of necessary maintenance supplies and parts.

4. Team Collaboration:

- Lead and motivate a maintenance team to ensure a high level of efficiency and productivity.
- Foster a collaborative and positive working environment within the maintenance department.
- Conduct regular training sessions to enhance the skills of the maintenance team.

5. Adaptability and Flexibility:

- Respond promptly to emergency maintenance requests, even during non-standard hours.
- Be available to work extended hours and weekends when required to address urgent issues
