QUALITY ASSURANCE SUPERVISOR

We are seeking to recruit a suitable candidate to take up the role of a **Quality Assurance Supervisor** with our Highlands Bakery. The candidate will report to the Highlands Bakery Manager for daily operational role and Tininga Quality Assurance Manager for technical support. This key role is centered around implementing best practices and enforcing quality controls, and initiatives in Highlands Bakery with the sole aim of producing consistent quality bakery products that meets HACCP requirements and standards that demonstrate a culture of continued improvement.

Required skills & experience;

- Relevant Science Degree with 3-5 years work experience preferably in QA/QC role.
- Familiar with Food Safety (HACCP) and Quality Management System implementation.
- Familiar with GMP & GHP.
- Experience in a food manufacturing environment would be a plus.
- Be critical and have attention to detail.
- Be a team player, good communicator and very vocal.
- Be a hands-on person who leads by example and actively supports staff on the floor in improving processes to achieve high quality products.
- Able to work throughout the weekend and extra hours if required.

If you wish to apply for the above position, please send your application including a covering letter, CV and relevant supporting documents to:
